

## Class Organisation

Class organisation for next academic year has taken a little longer than usual this year. That is because we have been recruiting new staff and making decisions on classing structure whilst looking at the number of pupils on role and the budget. The new class structure will have 6 classes; Oak, Chestnut, Willow, Sycamore, Cedar and Maple. Oak will be a mixed class of FS2 and year 1 children. Chestnut will be a mixed class of year 1 and 2 children. However, we will have an extra teacher in the mornings to teach the year 1 children. The table below will explain the teachers and teaching assistants in each class. Current year 2 to year 5 children will move as a complete class to the year above. I will let the current year 1 children know their class individually by the end of the week.
